## BRIEF MENTION.

Ice cream at the Park on Friday afternoon by the Presbyterian ladies.

The school at Hunter's Spring, of which Rev. J. C. Hudson is teacher, will open on next Monday.

Appointments of the Y. M. C. A. for next Sunday: Poor House Committee, A. P. Hubbard, W. W. Keys; Jail Committee, L. P. Smith, F. T. Whitely.

Rev. Mr. McElhany, a blind minister of the Methodist Church, supplied Mr. Carlisle's pulpit on Sunday last. He had a good congregation, and his sermon is favorably spoken of.

Better than ever. C. A. Reed, Agent, now offers his entire stock of hats and clothing ten per cent. below New York wholesale prices. Object—to close out and make room for new stock.

By request of the Y. M. C. A. of this place Rev. S. B. Jones, D. D., will preach a sermon to young men in the Methodist Church next Sunday night. It is hoped that there will be a full house.

Good rains fell in some portions of the County on Sunday afternoon, but in other sections the drought continues. Eight or nine weeks have elapsed since a good season has been had in some places.

Col. John T. Sloan, of Columbia, was in Anderson on a visit to relatives and friends this week. The Colonel was a former citizen of this town, and our people are always glad to have him in our midst.

The annual meeting of the stockholders of the Anderson Farmers' and Mechanics' Association, at which an election for officers will be held, takes place in the Court House on Saturday next at 11 o'clock a. m.

Rev. P. F. Stevens, of Charleston, formerly Rector of the Episcopal Church at this place, and who has many friends and admirers in our midst, has been made Bishop of the Reformed Episcopal Church.

Special prayer meetings are being held in the Episcopal Church this week. Eight o'clock a. m. and six p. m. are the hours of service. Holy Communion will be administered after the regular morning service on Sunday next.

Sloan Bros., of Greenville, are making a specialty of agricultural and garden seeds, and propose to offer premiums each season for the best crops from their seed. Their premium on turnips this fall will be \$5 in gold.

The 3rd quarterly meeting of Anderson Methodist Church will be held next Saturday and Sunday. Service at 10 o'clock on Saturday morning. Dr. S. B. Jones, P. E., will be present during the meeting and will preach, as usual. Communion of the Lord's Supper on Sunday morning.

The festival given by the ladies of the Presbyterian Church on Friday night was a very pleasant occasion, especially for the young people, a large number of whom were present. Everything was done up in style, and its management reflects credit upon the ladies in charge. The net proceeds amounted to nearly fifty dollars.

We had the pleasure of a call on Wednesday from Mr. W. P. Calhoun, the efficient and successful principal of the Fair Play Academy. He has built up an excellent high school at that place, and has shown himself not only an educated and accomplished gentleman, but also one of the very best and most progressive of instructors.

A lady furnishes us with the following recipe for blackberry cake: Put 12 pounds of berries in a jar, cover them with 2 quarts of water, to which add 5 ounces of tartaric acid. Let it stand 48 hours, then strain without bruising, and to each pint of juice put 1 pound of crushed sugar. Let it stand a few days, then bottle for use.

The Anderson Theatrical Company, the best amateur performers in the State, will give another of their attractive entertainments in Masonic Hall on to-morrow evening. "Raising the Wind" and "Poor Billy-coddy" are the pieces to be presented, and we feel warranted in assuring all who may attend a pleasant evening. A splendid orchestra will furnish the music. Admission 50 cents; reserved seats without extra charge.

Mr. Thomas A. Sullivan, who has for several years been the route mail agent on the Blue Ridge branch of the Greenville & Columbia Railroad, has been promoted to the route on the main line. Mr. Sullivan has proven himself a faithful, efficient and commanding officer, and carries with him the well wished approval of the people. We have no doubt that he will give the same satisfaction in his new position which he gave in the one he has left.

The first anniversary of Excelsior Division, Sons of Temperance, will be celebrated by a picnic on Saturday, 12th instant, at Carwell Institute. Addresses on the subject of temperance will be made by Maj. E. B. Murray, H. G. Scudday, Esq., Col. W. E. Walters and Capt. P. K. McCully. Neal's Creek, Cross Roads, Union and Ebenezer Divisions are specially invited to participate in the pleasures of the occasion, and it is expected that every one will take their baskets.

The following officers of Anderson Division were elected at the meeting on Thursday night last: Miss Nellie C. Hubbard, W. P. J. H. von Hassen, W. A. J. D. Whitely, R. S.; Miss Annie Towers, A. R. S.; H. G. Scudday, F. S.; John W. Daniels, Treas.; A. B. Towers, Chap.; T. C. Ligon, Com.; George F. Tolly, Jr., A. C.; John A. Towers, I.; John Burris, O. S.; John M. Hubbard, Librarian; J. O. Wilhite, Assistant Librarian.

Messrs. Riordan & Dawson have our thanks for a pamphlet copy of "Ashurst; or, The Days That Are Not," the prize story which was recently published in the *Weekly News*. It is a very interesting story, written in a most creditable style, and has secured a reputation and popularity which entitles it to rank as a work of decided literary merit. Those who have not read the story will find it a most excellent opportunity to procure a copy in convenient form by remitting twenty-five cents to the publishers.

The best idea we have heard advanced in regard to the stock law was made by a gentleman from upper Georgia, and a member of the Legislature of that State. He traveled considerably over our County, and gave his conclusions as follows: "That enough corn would be made on the old fence-rows for home consumption, (seasons favoring,) and all grown within the fields would be for sale." If this prediction proves true, Anderson County will be independent of the whole world, and the "balance of mankind."

We were pleased to receive a call on Saturday last from our esteemed friend across the river, Col. John H. McCall, (we never saw a man from Georgia with a lower forehead than Colonel,) of the Hartwell *Sun*, the best paper to its size published in the "Empire State." He is looking hale and hearty,

wears good clothes, says the *Sun* is flourishing, and is very sanguine about the building of the Hartwell branch of the Elberton & Toccoa Railroad. He expressed himself as highly pleased with the appearance of things generally in and around Anderson, and especially of the farms since the abolition of the old fence system. Come again, Colonel, and make your visit longer.

**A Pleasant Entertainment.**  
The Palmetto Riflemen will give a grand concert in Hampton Park on Friday evening, the 11th instant, for the benefit of the company. Refreshments, consisting of cake, ice cream, lemonade, etc., will be abundantly provided to supply the demands of all who may be present at very reasonable rates; in addition to which fine music will be furnished by the Palmetto Band. Taken all together it will probably be the most pleasant and enjoyable party of the season, and it is hoped as many of the ladies and gentlemen of the town and surrounding country as can do so will lend their presence to make the evening a great success.

**Fourth of July Celebration.**  
There will be a meeting in the Court House at this place, at 11 o'clock, on Friday morning, the 4th of July, in honor of Independence Day. The proceedings will be opened with prayer by Rev. W. H. Strickland, after which the Declaration of Independence will be read by Mr. J. S. Murray, Jr., and an oration delivered by Capt. John E. Allen. The general public and the ladies of the town and country are especially invited to attend the meeting at the hour named. The occasion will no doubt be a very interesting one, as it will recall to the present memories which belong as much to the people of this section as to any other, and which the consideration of is calculated not only to inform our people of events of a century ago, but to animate us with new hopes and new courage for the future. The reading and the oration on the occasion named will do justice to the day and to the assembly which will gather to hear them.

**Grange Matters.**

Members and delegates are requested to be punctual in their attendance as important business will be presented for their decision, not the least of which will be the election of local commercial agent and executive committee, and arrangements completed for the summer meetings. The object of the meeting being to look after the interest of the school, after free and full consultation, and satisfaction expressed in regard to the progress and management of the school, and there being no further business of importance, the meeting adjourned.

The Broadway Hampton Mounted Riflemen will meet at Anderson C. H., Friday at 2 o'clock p. m. to receive their sabres. They are urged to meet promptly.

**THOUGHTS UPON IT, WHY HESITATE?**—It is adapted especially to those cases where the womb is disordered, and will cure any irregularity of the "menses." Dr. J. Bradford's Female Regulator acts like a charm in "whites," or in a "dry" or "flood" of the "monthly courses," from cold, trouble of mind, or like causes, by restoring the discharge in every instance. So also in chronic cases its action is prompt and decisive, and saves the constitution from countless evils and premature decay. Ask your druggist for a circular.

**EX-GOVERNOR CHAMBERLAIN**—The Springfield Republican's proposition to make the Fourth of July celebration in that city a great national love-feast by inviting Wade Hampton, or some other reconstructed rebel, to deliver the oration, proved boomerang of the most deadly kind. The committee did not invite Wade Hampton or Joe Johnston or Aleck Stephens or any of that stripe, but—of all men in this reconstructed nation—the ex-governor D. H. Chamberlain, of South Carolina. Between honest ex-rebels and Union veterans the Springfielders split the difference by choosing an ex-carpenter-bagger with an unsavory record, a present of obscure existence and a future of merciful oblivion at best. So far as being an olive branch to the Southerners, whom the *Republican* would encourage in returning loyally, this is fair notice to them that their room is better than their company. Times are changed since 1875, when Massachusetts yelled herself hoarse in doing honor to Fitzhugh Lee and other Confederate veterans in the Bunker Hill Centennial celebration, and was moved to tears by the spectacle of the 68th Maryland regiment decorating the graves of the Union dead at Mount Auburn. The Stalwarts and the Bourbons between them have succeeded in re-opening the wounds of civil strife more than then seemed possible. It remains to be seen how Springfield will receive her chosen orator and what use he will make of his opportunity. He has the ability to instruct and the grace of diction that would make any subject entertaining, but will it be the lesson that he speaks or the lesson of his life that Massachusetts' youths will be expected to take to their hearts?
